1. The Committee is of the opinion that the cadre of Civil Service should cover the entire range of Administrative functions including development, law and order and regulatory duties and cadre officers must have sufficient exposure to the grass-root and district level administration (Para 2.2).

   (i) All the existing cadre posts now included in Schedule I of the State Civil Service Rules 1977 may continue to be the cadre posts.

   (ii) All administrative as well as posts involving regulatory duties be declared as cadre posts of the Service.

   (Para 2.4)

   (iii) All technical posts or posts requiring specialised training or specialised knowledge may not be included in the Service. Such posts should be left outside the Service and may be temporarily added to the Cadre till all the incumbents are transferred to their own cadre posts or retire from Service (Para 2.4 (2)).

   (iv) If any member of the Service is appointed to a non-cadre post, then the concerned post may be declared as equivalent to the post of the Service in the appropriate grade. A suitable provision has to be introduced in the SSCS Rules 1977 (Para 2.4 (3)).

   (v) If any post involving duties closely analogous to those of the existing cadre post is created for a specific period or on temporary basis, such post may be temporarily added to the cadre and cadre officer may be posted against such post.

(iii) Forest Department - may be redesignated on the basis of job requirement.

(iv) Tourism Department- may be redesignated as Deputy Director.

(Para 24(7))

<th>30% of total No. of ex-cadre posts held by member of the Service</th>

3. The posts listed in Annexure III may be

(a) included in the cadre schedule as cadre posts; if any of these posts are held by non-members then it may be deemed to have been kept in abeyance till such time the post is not held by a member of the Service.

b) The temporary posts listed in Annexure IV may be temporarily added to the cadre. As soon as these posts are vacated by the present incumbents, these posts will be reverted to the department.

Holder of such posts should not only be confined to routine establishment matters as is the position now, but they should be allocated with the duties and responsibilities connected with the general administration including accounts, planning and formulation of schemes and appraisal of cases for policy decision.

Accepted.

(Para 3.3)

(4) (1) The Committee also considered some related issues which have a direct bearing on the size of the State Civil Service cadre. These pertain to the method of recruitment and the feeder Service (Para 4.1).

(2) The Committee is of the view that the method of recruitment to the Service may be amended as under :-

(a) by direct recruitment—40%
(b) By promotion —60%

(Para 43)
(3) Recruitment to the Service may be only at the lowest gazetted level, unlike in the past where recruitment has been done at different levels. (para 4.4)

(4) The Committee after due consideration recommends that 20% of the cadre posts of Secretaries to the Government may be earmarked for filling up by members of other constituted Services on the basis of seniority and merit. (Para 4.5)

(5) In so far as the feeder Service to the State Civil Service is concerned, the Committee noted that there is a need to review the existing cadre strength. The size of the Executive Service needs to be reviewed as many posts of similar nature and often in the same department are excluded from the Service. (Para 4.6)

(6) The Committee also felt it necessary that percentage of promotional quota between the Secretarial Service and Executive Service should be earmarked (Para 4.7).

Accepted with following condition:-

Notwithstanding anything contained in para 4.4, if in the opinion of the Government, the exigencies of the service so require, the Government may after consultation with the Commission, adopt such method of induction to the Service other than specified in the said sub rule as it may by notification in this behalf prescribed.

It is accepted that out of 5 posts of Secretary one post may be filled up by members of other organised Services of the State subject to the following conditions:-

(a) He must be holding the senior most post in the Service of which he is a member.

(b) He must have completed not less than 14 years of service in class I posts and must have completed not less than 4 years service in highest post in the said Service which should not be in any pay scale lower than the pay scale prescribed for Super-time Grade II of the Sikkim State Civil Service.

(c) Appointment to the post of Secretary will be done on the basis of merit cum Seniority. Remaining 4 posts of Secretaries in the cadre shall be reserved exclusively for the members of the State Civil Service.

The Sikkim Subordinate (Ministerial & Executive) Service was constituted in the year 1984 and it has not been reviewed since then. Therefore, the changes that have come into effect during these years make it imperative to review the Sikkim Subordinate (Ministerial & Executive) Service.

Accepted.
(7) The Committee also noted that a number of departments will be surrendering senior/promotional posts to the State Civil Service although on temporary basis. Nevertheless, this would affect the promotional prospects of the feeder posts in the respective department. Accordingly, the Committee also recommends that while reviewing the Ministerial & Executive Service, such a review should also take into account this fact and earmark a certain percentage for promotion to such departments which have surrendered senior posts. This could be done on a proportionate basis.

SUREKHA PRADHAN
Section Officer

OFFICE ORDER
No. 1668/G/DOP.
Dated Gangtok, the 11th March, 1994.

Shri N.R. Dhakal, Court Inspector, Namchi is an active member of the Sikkim Police Welfare Association which had struck work on 4th November, 1993, created situation of lawlessness, indulged in vandalism and created dissension and disaffection within the force known as Sikkim Police.

On 2.3.1994 again, he participated in a campaign, along with others to pressure the SP East to arrest a certain individual, allegedly involved in a criminal case on 28. 2.1994 during Sikkim Bandh.

The members of the force were informed that action could be taken only on the basis of information which was being collected. The arguments were reasoned out twice at DGP's office at 1230 hours and in the PHQ compound at 1500 hrs. They were also given an opportunity to disperse and proceed to their places of duty.

Shri N.R. Dhakal, though posted at Namchi, Was in Gangtok on 2.3.1994 and instigated others to strike work thereby causing disaffection towards the Government amongst the members of the force. He took active part in moving around the town in a vehicle fitted with loudspeaker, asking constabulary, including guards, to quit their posts and join the strike. Thereafter, he arrived at PHQ and created nuisance. He was detained under section 34 Police Act, 1861 to prevent him from acting in a provocative manner.

This is the second time the police, under the spell of the Association, has resorted to idl disciplined action.

The situation in the town was very tense as a consequence of events of February 28, 1994. On the other hand, some members of the Police force had struck work which could not be permitted.

As an Office-bearer of the erstwhile Police Family Welfare Association, Shri N.R. Dhakal made every effort to defuse the situation on 4 November, 1993, and was a silent spectator even though he was instructed to intervene and control the situation, whereas on 2 March, 1994 he actively extended support to the strike
and excited other members of the force to desist from work which brought about a chaos in the discipline.

In view of the urgency of the situation and in order to prevent further deterioration of discipline within the force as well as in the public interest, the Governor is satisfied that it is not reasonably practicable to hold a regular inquiry into his conduct.

In the interest of maintaining immediate discipline and attempting to ensure law and order, the Governor, in exercise of the powers conferred on him under clause (b) of the second proviso to clause (2) read with clause (3) of Article 311 of the Constitution of India dismisses Shri N.R. Dhakal, Court Inspector, Namchi with immediate effect.
