STATEMENT OF OBJECTS AND REASONS

The Bill is introduced in pursuance of clause (i) of article 204 read with article 205 of the Constitution to provide for the appropriation out of the Consolidated Fund of the State of Sikkim of the money required to meet the Supplementary expenditure charged on the Consolidated Fund of the State of Sikkim and the supplementary grants made by the Legislative Assembly for expenditure of the Government of Sikkim for the part of Financial Year 1988-89.

CHAMLA TSHERING,
Minister-in Charge, Finance,

By Order,

K. SHERAB,
Secretary, Sikkim
Legislative Assembly,
In pursuance of rule 75 of Rules of Procedure and Conduct of Business in the Sikkim Legislative Assembly, the Speaker has been pleased to order the pre-publication of the following Bill:

THE SIKKIM REGISTRATION OF COMPANIES (AMENDMENT) BILL, 1989
(BILL NO. 3 OF 1989)

A BILL
to amend the Registration of Companies Act, Sikkim, 1961.

Whereas it has become necessary to comply with the provisions of the Constitution of India and limit the power of the State with regard to registration of companies in the State of Sikkim;

And whereas the provisions of the Registration of Companies Act Sikkim, 1961 are to be confined to the entries in List II (State List) of the Seventh Schedule to the Constitution of India;

BE it enacted by the Legislature of Sikkim in the Fortieth-Year of the Republic of India as follows:—

1. This Act may be called the Sikkim Registration of Companies (Amendment) Act, 1989.

2. In section 2 of the Registration of Companies Act, Sikkim, 1961, in clause (ii), after sub-clause;-(j) (o), the following sub-clause shall be and shall always be deemed to have; been inserted, namely:—

"(d) a Company which shall not be a company set up to carry on business in any other State except the State of Sikkim relating to acquisition and transfer of stock or shares, or investment of money or value of money or any from of trade in investments."
STATEMENT OF OBJECTS AND REASONS

The Department of Land Revenue has been receiving a number of requests from different parties for registration of Companies dealing in stock, shares or transfer and investment of money or value of money. These activities of a company squarely fall under the Union List (List) of the Seventh Schedule to the Constitution. Since we have so far our own Act, namely, the Registration of Companies Act, Sikkim, 1961, protected by clause (k) of (article 371F of the constitution, they could be registered under this Act, but they may go beyond the control and regulation, as there are no adequate provisions in the Act to restrict their activities. If they are given registration under the Companies Act, 1956 (Central Act 1 of 1956), they could be properly regulated, but, the Central Act has not been enforced in Sikkim.

Under the above circumstances, it is felt necessary to make provision in the Registration of Companies Act, Sikkim, 1961 by inserting a sub-clause in clause (ii) of section 2 of the Act in the manner provided in the Bill so that such companies could be refused Registration under this Act.

This Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS

The proposed legislation has been brought in before the legislature with the object of prohibiting alienation of land by member of the Bhutia Lepcha communities of Sikkimese origin to persons other than Bhutia Lepcha of Sikkimese origin.

There are several orders, notifications, and instructions prohibiting alienation of land by Bhutias and Lepchas to other than Bhutias and Lepchas and they may be considered as existing laws under Article 371 (k) read with Article 366 (10). However, it is considered expedient and desirous to consolidate all rules notifications, orders, instructions etc., and have a legislation which may be exhaustive in all respect.

There are certain safeguards and exemptions which have been incorporated in the draft Bill. The Bill provides for alienation of lands belonging to Bhutias and Lepchas to other than Bhutias and Lepchas prior permission of competent authority. The Bill also makes provision for lease or subletting of premises of non-agricultural to non-Bhutia and Lepcha for a period not exceeding twenty one years and also provides for compensation on ejectment of unauthorised transferee of land. Bill also makes provision for appeal against order under this Act and also provides for show cause notice before any action to the prejudice of any transferee is taken.

The draft Bill specifically provides for validation of old laws on the subject. In order that the proposed legislation does not violate Article 19 (1) (d) and (e), the above exemptions have been provided. It has also been provided that transfer by way of succession under any law of inheritance in force in Sikkim will not be prohibited.

The proposed legislation will not be violative of any fundamental rights. On the contrary it will Derive support from Article 19(5) of the Constitution.

The proposed legislation is within the competence of the State legislature as the matters enacted where in fall within the fields of State and Concurrent List of the Seventh Schedule of the Constitution. With the above objects in view the above draft Bill has been prepared.

FINANCIAL MEMORANDUM

Clause 8 of the Bill empowers the competent authority for payment of compensation by acquiring and ejecting the transferee if any land had been alienated at any time during the period of twelve years immediately preceding the appointed day and the alienation is such that it could not have been validly made if on the date of such alienation the provisions of this Act had been in force. The compensation payable shall be the amount equal to the value of the land as stated in the instrument of transfer, reasonable interest on the value rents and other public dues which had been paid for the occupation of the said land, cost of improvement if any, made to increase the yield from the land and the cost of any building or other structure that may have been constructed on the land by the transferee at his own cost.

Since the number of such cases could not be ascertained at present, the amount that is required to be paid on account of compensation could not also be ascertained. However, some financial implications due to this provision is certain if the Bill is passed as an Act.

MEMORANDUM REGARDING DELEGATED LEGISLATION

1. Sub-clause (3) of Clause 1 provides that the Act shall come into force on the appointed day. The words “appointed day” has been defined in sub-clause (b) of Clause 2 which provides that the State Government has to appoint the day by notification in the Official Gazette.

STATEMENT OF OBJECTS AND REASONS

The proposed legislation prohibits any alienation of land by a Sikkimese in favour of a non-Sikkimese. The term Sikkimese has been defined in Clause 2 (I) of the draft Bill.

There are several orders, rules, instructions prohibiting such alienation by a Sikkimese in favour of a non-Sikkimese. These may be regarded as existing law under Article 371F (k) read with Article 366 (10) ff the Constitution. However, it is considered desirable and expedient to consolidate all such rules, notifications etc. in one enactment which will be exhaustive and readily referred to.

The proposed legislation does not offend any other provisions guaranteeing fundamental rights, the draft legislation can derive support from Article 19 (5) of the Constitution which enables the legislature to enact laws in the interest of the general public, namely, in the instant case, the Sikkimese population in the State.

Of late there has been a great influx of non-Sikkimese in the State who appear to be keen to settle down permanently in the State; thereby upsetting the entire ethnic balance of Sikkimese population. Such unrestrained migration of non-Sikkimese is also likely to jeopardise and adversely affect cultural heritage identity and economic and social interest of the Sikkimese people.

Various exemptions and safeguards have been provided so that non-Sikkimese are not affected unjustly or harshly by any provisions of this enactment. The Bill provides for acquisition of land by a non-Sikkimese with prior permission of the competent authority. It also allows lease and subletting for a period not exceeding twenty one years.

There is also provisions for appeal against any order by the competent authority and for compensation of ejectment. A show cause notice has also been made part of the Bill whenever any order to the detriment of the transferee is to be made.

There is also no arbitrary, unfair or inequitable provisions to the prejudice of the non-Sikkimese.

The proposed legislation is within the competence of the State legislature as the matter are covered by Entry 18 of List II - State List and Entry 6 of List III- Concurrent List of the Seventh Schedule of the Constitution.

The proposed Bill has been drafted with the above objects in view.

The compensation payable shall be the amount equal to the value of the land as stated in the instrument of transfer, reasonable interest on the value, rents and other public dues which had been paid for the occupation of the said land, cost of improve it, if any, made to increase the field from the land and the cost of any building or other structure that may have been constructed on the land by the transferee at his own cost.

Since the number of such cases could not be ascertained at present, the amount that is required to be paid on account of compensation could not also be ascertained. However, some financial implication due to this provision is certain if the Bill is passed as an Act.
MEMORANDUM REGARDING DELEGATED LEGISLATURE

1. Sub-clause (3) of Clause 1 provides that the Act shall come into force on the appointed day. The words “appointed day” has been defined in sub-clause (b) of Clause 2 which provides that the State Government has to appoint the day by notification in the Official Gazette.
